Memorial Hall for Aravind Eye Care Founder

Madurai: The G Venkatasamy Retreat Centre, a memorial hall for the founder of the Aravind Eye Care System was inaugurated here on Sunday. "The light of Dr G Venkatasamy lives on in the lives of millions of people who have gained sight at his hand and through the

great movement he set in motion for eradicating needless blindness in human society. The centre conveys the inner tranquility and the irrepressible energy of Dr G Venkatasamy," said M Gnanaraj, architect of the building. "The artistic and aesthetic building is not built as a monument but is an embodiment of the vision and values for which the founder of Aravind Eye Care system st
